

Jeffrey Hoos, DMD

If You Can Do Composites Correctly, You Can Do Full- Mouth Reconstruction

Tuesday, September 10, 2024 | 6:00pm

Maestro's Caterers 1703 Bronxdale Avenue, Bronx, New York 10462

Buffet Dinner at 6pm (Kosher meals available upon advance request*)

Lecture at 7pm

This lecture is presented courtesy of Kuraray Dental

\$35 for BCDS members | \$65 for non-members | Free for residents of Bronx Hospital programs

When a dentist completely understands the steps to create durable, long-lasting composites, they have the building blocks for doing reconstruction cases.

Participants will learn:

- Immediate dentin sealing & resin coating bonding technique
- Stress free composite restorations
- Occlusal principles in a simple way
- Restoring mouths with a functional understanding

Jeffrey Hoos, DMD

Dr. Jeffrey Hoos is a world-renowned practitioner and author of numerous articles. He has developed many innovative and exciting dental techniques including the patented H & H cordless impression method. Dr. Hoos graduated from Tufts University School of Dental Medicine with a DMD degree after receiving his MS degree in Biology from the University of Bridgeport and his BA degree in Zoology from Drew University.

He has been involved with implant dentistry for the last 25 years and teaches implant dentistry courses. Dentists from around the world regularly visit his practice to learn how to implement his methods. He lectures extensively on practice management as well as implant and cosmetic dentistry.

He recently celebrated his 41th anniversary in private group practice in Stratford, Connecticut and is consistently in the top 1% of the dental practices in the United States.
